

OUR SERVICES

- In-person and virtual access to health professionals nationwide.
- We provide a team of Medical Professionals including Physicians, Dentists and Specialty Care providers.
- Staffing of Mental Health Professionals including Psychologists, Psychiatrists, Licensed Clinical Social Workers, Licensed Professional Counselors, Certified Alcohol and Drug Counselors and School Psychologists.
- Courses and training taught by best-in-class professionals such as court ordered anger management classes with certification.
- A diverse team of trauma-informed mental health and healthcare providers specializing in addressing PTSD, incarceration, grief, trauma, and adversity.
- A user-friendly app "Om At Home" offering live-streamed meditation and coaching classes, as well as pre-recorded courses tailored to trauma and PTSD.
- Collaborations with influential voices. Since 2017, we've partnered with influential voices like T-Pain, Taraji P. Henson, Mario, Vic Mensa, and more, enhancing our impact with prisons, nonprofits, and events.
- Program management services encompass milestone tracking, budget allocation, progress reporting, and stakeholder alignment.
- We ensure adherence to HIPAA, federal and local laws, and regulations governing client charts and history for compliance.

OUR MISSION/ABOUT US

Mindful Staffing Solutions is a nationwide collective of medical and mental health professionals, including licensed therapists, counselors, coaches, and yoga teachers, dedicated to serving veterans, individuals affected by PTSD, victims of crime, trauma survivors, and those confronting adversity. Our services are available inperson, virtually and through our app, ensuring accessible support for those in need. We are committed to creating awareness of the impact of trauma on the cycle of homelessness, incarceration and adversity. We aim to challenge stigma, advocate for early intervention, and promote healing strategies that are inclusive.

WHY CHOOSE US?

- What sets us apart is our rigorous screening process, ensuring that the individuals we place are not only highly qualified but deeply dedicated to the well-being of those they serve.
- We know the importance of staff with extensive trauma-informed experience, including Physicians who are veterans of the U.S. Army, Licensed Professional Counselors who are former law enforcement officers, yoga teachers for PTSD who worked at the United States Department of Veterans Affairs (va), Licensed Clinical Social Workers who worked at the Department of Child Safety and Addiction Counselors who worked at Correctional Facilities.
- Co-founded by a medical doctor, our organization ensures a high level of medical competence and the ability to leverage established healthcare sector relationships.
- We pinpoint the right professionals for specific language, socio-economic and ethnic needs, ensuring our providers communicate with them effectively.
